

Content Notice

This is the content notice page for Gender Uphoria. Below is a complete list of the triggers I have elected to warn for, and their prominence in the story. Triggers that are not in the story are included under “absent” as a content notice is less useful if it can’t confirm whether your triggers aren’t there. If a trigger isn’t listed, it may or may not appear in the story.

Graphic

E.g. TW // Driving: “The revving engine filled her ears as she drove to the hospital, weaving her car in and out of traffic.”

Abuse (physical, sexual, mental, verbal, emotional); Alcohol; Body Image Issues; Food; Homo/queerphobia; Homophobic Slurs; Masturbation; Misgendering/Deadnaming; Misogynist Slurs; Misogyny; Needles; Sex; Sexual Assault; Sexual Harrassment; Transphobia; Transphobic Slurs; Rape

Present

E.g. TW // Driving: “She drove to the hospital quickly.”

Ableism; Ableist Slurs; Blood; Drug Use; Pregnancy

Mentioned

E.g. TW // Driving: “She was breathless as she walked into the hospital, adrenaline coursing from the drive.”

—

Implied

E.g. TW // Driving: “She hurried from the parking lot to the hospital.”

Child Abuse; Fatphobia

Absent

E.g. TW // Driving: “She ran to the hospital.”

Abortion; Alcoholism; Animal Cruelty; Animal Death; Death; Drug Addiction/Dependency;
Eating Disorder; Genocide; Illness; Incest; Kidnapping; Miscarriage; Mutilation; Self-harm;
Racial Slurs; Racism; Slavery; Suicide
